

## SD Coatings Limited

### MATERIAL SAFETY DATA SHEET SDC250607QDP

#### 1. Identification of Substance/Preparation and Company

Product name	Quik Dri Primer
Company	SD Coatings Limited Unit 9, Hexthorpe Trading Park Hexthorpe, Doncaster DN4 0EJ
	Tel: 01302 325758 Fax: 01302 360439 Email : sales@sdcoatings.co.uk www.sdcoatings.co.uk

#### 2. Composition/Information on ingredients

Chemical nature:	Water based dispersion of acrylic co-polymer dispersion with suitable pigments and extenders
Hazardous components:	None according to EU directive 88/379/EC

#### 3. Hazards identification

##### Critical hazards to man and the environment

None according to EU directive 88/379/EC

#### 4. First Aid measures

Eye contact	May cause temporary irritation. Irrigate with water holding eyelid open. Seek medical attention if irritation persists.
Skin contact	Prolonged contact may cause irritation. Remove contaminated clothing. Wash thoroughly with soap and water. Seek medical attention if irritation persists.
Inhalation of vapour	Remove to fresh air.
Ingestion	May cause nausea. Seek immediate medical attention. Do not induce vomiting.

#### 5. Fire fighting measures

Hazards during fire-fighting	The product is water based and is not combustible.
------------------------------	--

**6. Accidental release measures**

Personal protection	Refer to Section 8.
Environmental precautions	Prevent product entering soil, natural waters and drains.
Methods for cleaning and taking up	Large spillages should be contained and pumped into a receiving vessel. Small spillages should be absorbed on inert absorbent. For disposal methods refer to Section 13.

**7. Handling and storage**

Handling	No special precautions necessary. Observe good housekeeping practice. Keep workplace well ventilated.
Storage	Store between +5 C and +35C protected from frost and direct sunlight.

**8. Exposure controls/personal protection**

General protective measures	The product may contain low levels of volatile organic compounds or ammonia which may evaporate during application and drying.
Advice on system design	Provide good general ventilation in the workplace. Where the product is sprayed, local extraction is recommended.

**Components with workplace parameters:**

None according to EU directive 88/379/EC

**Personal protective equipment:**

Respiratory protection	If spraying product without local exhaust ventilation, wear a normal dust mask.
Hand protection	Impermeable gloves recommended.
Eye protection	Eye protection recommended if spraying.
Skin protection	In case of severe splashing wear waterproof overalls and boots. Wash with soap and water after handling.
Hygiene measures	Do not eat, drink or smoke when handling product.

**9. Physical and chemical properties**

Physical form	liquid
Colour	various
Odour	faint ester
Flash point	not applicable
Solubility in water	insoluble but miscible in all proportions
PH	8 - 9

**10. Stability and reactivity**

The product is stable under recommended storage conditions – see Section 7

Incompatible materials.                      None

**11. Toxicological Information**

Long term experience of this product type indicates no danger to health when properly handled under industrial conditions.

**12. Ecological Information**

Degradation/elimination                      DOC elimination after 2 days (OECD302B): 98%  
The product can be virtually eliminated from water by abiotic processes, e.g. absorption onto activated sludge.

Bioaccumulation                                      no evidence for bioaccumulation.

Ecotoxic effects                                      no long term effects expected.

**13. Disposal considerations**

Waste product should not be discharged directly into drains or waterways without treatment.

Disposal of product and packaging should always comply with local and national regulations.

EU Waste code number                      No waste Code Number available.

**14. Transport Information**

The product is not classified as Dangerous for Carriage.

**15. Regulatory information**

Labelling according to EU directive 88/379/EC

Symbol    Not subject to labelling

Information given in this Material Safety Data Sheet does not constitute the user's own workplace risk assessment.

**16. Other information**

The information given here is to the best of our knowledge true and provided solely for making safety assessments. It is not a sales specification or an indication of suitability for a particular use.
